KARL FISCHER TITRATION ON-LINE COURSES

Trainings for those who really want to learn

Nowadays it's easy to receive a Certificate of Completion for any webinar training. Even if you haven't actively participated in it. Make sure your lab specialists are really learning, not just collecting certificates.

GUIDED ON-LINE TRAININGS:

- Professional e-learning platform
- Courses on basic and advanced level
- Each course divided into lessons & topics
- Linear course progression (designated step sequence required)
- Inter-lesson quizzes (mandatory to move forward)

INCLUDED IN PRICE:

- Certificate of Completion
- Downloadable training materials
- Individual email support from KFT expert
- Unlimited access to the course

END YEAR PROMO:

ONLY
\$19
